

# Flowerland Featured Plant

## Allium

### 'Globe master'

The 'Globe master' is a perennial bulb that has quite the spring punch! Each flower can reach 10" when they flower in late

spring. Great for back borders, mass plantings and focal points. Each bloom lasts about 3 weeks, then the plant dies back until next spring.

Cut flower. Deer resistant.

Ht: 32-34"

Full to partial sun.

Available early/mid spring.
