

# Simply Beautiful Black Velvet

Be the first on your block to have the world's only black petunia. This upright, mounded beauty flowers spring through fall and is easy to grow. It partners well with other sun lovers and works well in landscapes, hanging baskets or containers.

## Specifics:

- Annual Plant
- Likes Full Sun
- Fertilize regularly or with a slow-release fertilizer
- Plant size: 8 – 12" wide and 8 – 12" tall
