

# Proven Winners Little Henry

Pure white flowers in the early summer cover this low mounded, compact shrub. Maturing at less than 3 feet tall, this lightly scented Sweetspire is suitable for flooding large banks with mass plantings or adding to the mixed border.

## Specifics:

- *Hardiness Zone: 5*
- *Full Sun or Full Shade*
- *Mature plant size: 24-36" by 3 feet*
- *Fragrant white summer flowers attract butterflies. Bright red fall foliage. Deer resistant. Native.*
- *Prefers moist soil; will tolerate wet conditions*
