

Balloon Boquet Ornamental Chive

This dwarf selection of 'Summer Beauty' Allium is fully budded by June and its hundreds of balloon-like heads of clear pink flowers burst open in July. It is durable and drought tolerant, with foliage composed of healthy, shiny blue-green, flattened, straplike leaves.

Specifics:

- Perennial
- Full sun to light shade
- Blooming time: July - August
- Plant size: 10 - 12" and clump forming
- Attracts butterflies and is Deer-resistant
