

'Blue Lady' Helleborus

With loads of nodding to upright deep bluish purple winter and spring-borne flowers, 'Blue Lady' is a fine selection of Lenten rose. Like other Lenten rose, this one brings tremendous color to the early season landscape and makes a nice ground cover, edging, or accent plant.

Specifics:

- Perennial
- Light to moderate shade
- Blooms February through April
- Plant size: 12 - 14" with clump forming habit
- Moderately drought tolerant; moist, not wet, soil
- Deer-resistant
